WELCOME

The Iowa Paint Horse Club takes this opportunity to welcome you to our 2008 Iowa Paint Breeders Futurity Auction. Beyond these first few informative pages, you will once again find a marvelous selection of stallion services for your consideration.

A great deal of time and effort has been spent attempting to provide you with the most complete and accurate information available to us. However, the breeding terms of each stallion and breeding facility vary greatly. The Kentucky Incentive Fund has also affected the Breeding Terms of many stallions. For these reasons, we highly encourage you to research your potential purchases prior to the auction. We have included all phone numbers, e-mail addresses, and web site addresses that were provided to us. Please use these resources to assist you in your research.

One major rule change that directly affects the resulting foals of this auction, has been approved by the IPHC Board of Directors. The foals born in 2009 will compete all three years for a \$5500 cash bonus. This award will be distributed as follows:

\$2500 will be paid to the nominator of the stallion that sires the 3 year high point foal.

\$1500 will be paid to the nominator of the mare that produces the high point foal.

\$1500 will be paid to the owner of the foal at the time of the 3 year award.

This is a great incentive for these foals to show all 3 years, but is also a useful marketing tool intended to help everyone. Please keep in mind that the futurity eligibility transfers with the foal as do the points accumulated towards this 3 year award.

Special thanks to all the stallion owners for their generosity in allowing us to offer the services of their excellent stock. Thank you also to the mare owners for their continued support in bidding on these stallion services. This auction and futurity would not be possible without either of you.

Now it's auction time! Let's have another record breaking year!

Lush green pastures ornated and disturbed only by the footfalls of a spectacular band of impeccably bred mares. Each of them lazily grazing and awaiting the coming of their spring foals. This alone would seem enough to satisfy any serious horse owner, but to have each of these foals sired by your own stallion is just icing on the cake for Nihiser Farms. All Star Kid is definitely a stallion who has proved himself worth gambling on. Surpassing all of our dreams and expectations in just a couple foal crops, he is quickly becoming one of the hottest paint sires in today's industry. Many speak of him as being one of those hard to get sires that cookie cuts and puts a hand made foal on the ground no matter what type of mare bred to him. He broke records at two of the most lucrative stallion auctions in the country in 2007 going for an amazing \$2675.00 in Wisconsin and then an incredible \$ 5100.00 in Iowa. Thank you so much Jan Scott and Jeff and Beverly Wix for being the successful bidders and all the other wonderful people that see the greatness in this horse. His foals have been nothing less than shining stars. In just two limited foal crops, All Star Kid foals have won in excess of \$50,000, dominating some of the biggest paint futurities in the country. What is so funny about all of this is we really never thought any of "Kids" foals would make futurity babies, as he is bred top to bottom of late maturing, "get better with age" bloodlines that you usually don't even see them in the pen till age of two or older. His oldest foals are coming two year olds and are just coming on like gangbusters and will be shown extensively in 2008. There will be several coming yearlings to be shown in the upcoming show season with a very anxiously awaited third foal crop to start arriving any day, with nearly 60 foals on their way.

Expanding our operation seemed to be the next logical step. Originally, our plan was to simply move to a bigger place that would accomodate the increasing amount of interest in our boy, "KIDDO". Soon after we decided, not only did we need to expand we also needed to provide our friends and loyal customers the added bonus of a Kentucky bred and born foal, with all the benefits that the new incentive fund program provides. We are pleased to announce that All Star Kid and Nihiser Farms are relocating to the gorgeous blue grass hills of Paris, Kentucky "Horse Capital Of The World" for the 2008 breeding season. We feel this will do great things for the industry as a whole. The only looking back we will do is to reflect on the things that made this all possible. Relatively new to paint horses, we found the people associated with this organization very inviting and helpful in our pursuit of making a name for ourselves as well as our farm. We had no plan to stand a stallion again, but we found ourselves with a great colt who has turned out to be a great producer. The many friends that we have made over the last few years and the support of the APHA has made this all a wonderful experience. We are looking forward to being a part of the paint horse industry for a long time. We hope the years to come will be as fulfilling as the past. We look forward to seeing all our friends at the shows next year and hope to make many more. Visit us at www.nihiserfarms.com

\$3000 Special 3 Year Award

Modern Music Star
(Modern Excellence x Mac Reynolds Star)
2007 Winner of the Special Three-Year Award

Modern Music Star "Liz" was born March 23, 2005 at Homestead Farm in Vincent, Iowa. She is owned by my husband and I, Joe and Sue Peed of Fort Dodge, Iowa.

My son, Casey Badger lives at the farm and delivers the babies each spring. Liz looked like a star from the beginning. She was so pretty and correct and oh could she swing those legs. We decided to show her at the weanling halter futurity. Casey fit her up and put her in the capable hands of Brian Ellsworth at the 2005 Paint Futurity where she placed 2nd.

The next year, 2006, Casey prepared Liz for Longe Line. This time he turned her over to veteran showman, Larry Hansch. Again, she brought home a nice check, placing in a very large class.

Watching that class was World Champion Paint trainer, Mike Hachtel. Mike called in early November and came to Homestead Farm to see Liz. He said he would like to train her for the 1-year-old Breeders Futurity. So she began the long trip to Collinsville, Texas for training under Mike's expertise.

Mike did an outstanding job of training Liz and riding her to Champion two-year-old SSA Breeders Futurity in 2007. This exciting win in combination with her achievements the two previous years earned Modern Music Star the Special Three-Year Award. We are so proud to have bred, raised and to own such a successful filly. Again, thank you to Casey Badger, Brian Ellsworth, Larry Hansch and Mike Hachtel for a great job of preparing and showing Modern Music Star.

Also, thank you to the Iowa Paint Breeders Futurity for creating this Special Three-Year Award. It is so nice to be recognized as a breeder and we very much appreciate it.

Modern Music Star will now take her place in the broodmare band. She will be bred in 2008 to Scenic Impulse. We are expecting 2008 foals by One Hot Krymsun, The Radical Hour, A Lucky Decision, MDR Impulsive, Sensational Loper, HBF Iron Man and Too Sleepy to Zip. Many will be eligible for the Iowa Futurities. We would welcome a visit from you if you are looking for a top prospect. We always have quality young stock by and broodmares bred to world champions for sale.

- F. A one-time non-refundable fee of \$155 payable by July 1 of the weanling year will make your foal paid up and eligible for the weanling, yearling, and two year old futurity classes.
- G. Weanling entries will be split by age and sex into six (6) classes: early, intermediate and late fillies; early, intermediate and late

stallions (any foals already gelded will go into their corresponding stallion class). Age splits will be made by the Futurity committee at designated times the weekend of the Iowa Paint Horse Club Futurity Show. In case of a mid-point falling on a date which is more than one foal's birth date, all foals born on that date will go into the same class to put as near equal number as possible into each class. In the case of an odd number, the early class will be the larger.

- H. 20% of the gross receipts pertaining to the weanling division will be held back for their ongoing yearling and two-year-old Futurities. - B. To keep your yearling eligible for the 2-year-old Futurity, there will be a sustaining fee of \$30 due and postmarked on or before **April 1** of the yearling year. Payment of yearling sustaining fee made after April 1 until August 1 is DOUBLE. Payment of yearling sustaining fee made after August 1 until September 1 is \$300. No late yearling entries will be accepted after **September 1** of the yearling year. A COPY OF REGISTRATION PAPERS MUST ACCOMPANY SUSTAINING FEE (Refer to VIII-C).
- C. Yearlings may go into the **Halter Futurity** or **Longe Line Futurity**, but not both, and this must be specified to the Futurity Secretary, and postmarked on or before **September 1**. Any yearlings paid up but not specified as Longe Line or Halter by **September 1** will automatically be entered into the Halter Futurity and will not be allowed to change.
- D. For the Yearling Futurity, 60% of the accumulated purse plus 60% of the total accumulated interest as of September 1 will be pre-rated into 3 yearling halter classes: fillies, geldings, and stallions and one longe line class (breeding stocks included), according to how many actually show in each class. Each class will pay back one (1) place for each two (2) entries up to a maximum of 16 paybacks per class. Ties will not be broken; premiums will be added and split. A proportionate amount of the expenses of operation, and drug testing fees, if any, will be

deducted from the yearling purse before disbursement.

X. TWO YEAR OLD WESTERN PLEASURE

- A. Refer to all General Futurity Rules (Section III).
- B. Providing previous eligibility and sustaining fees have been paid and regardless of whether or not the horse was shown in either the weanling or yearling Futurities, a sustaining fee of \$100 will be due and postmarked on or before **April 1** of the two year old year to make the horse eligible for the Western Pleasure Futurity. Beginning with fees sent and postmarked on or before April 2, until August 1 the sustaining fee is DOUBLE. With fees sent postmarked on or before dates between August 2 and September 1 the sustaining fee is \$300. No fees will be accepted after the postmarked date of September 1 of the 2-year-old year. In case of transfer, eligibility remains with the horse. Eligible breeding stocks are included. A COPY OF REGISTRATION PAPERS MUST ACCOMPANY SUSTAINING FEE.
- C. Reinstatement of 2-year-old eligible by birth for the Breeder's Futurity, on which the weanling nominating fee and/or yearling sustaining fee was not paid, may be obtained by paying TRIPLE the initial payment of any unpaid weanling nominating or yearling sustaining fees postmarked on or before April 1 of the 2-year-old year. Reinstatement fees paid and postmarked after April 1, but postmarked on or before September 1, will be QUADRUPLE the initial payments. No fees will be accepted after the postmarked date of September 1 (Refer to VIII-C).
- D. Current APHA rules for 2-year-olds will apply for the Western Pleasure Futurity and any entry may be subject to drug testing under the current APHA rules.
- E. Purse will consist of the remaining 40% of the previously collected purse, plus interest, all of the 2-year-old sustaining fees, any reinstatement fees, any unclaimed premiums, plus any miscellaneous funds less expenses of operation and drug testing fees and will be pro-rated by the number of entries that actually show in each division – Open and Non-Pro. Each class will pay back one (1) place for each two (2) entries shown, not to exceed payment of 16 places. Ties will not be broken; premiums will be added

and split equally. "Day Money" of 15% of the purse will be paid on 5 places per judge.

- F. **Non-Pro 2-Year-Old Western Pleasure** entries must specify which division to the Futurity Secretary and postmarked on or before **September 1** of the 2-year-old year. Horses not specified will be automatically entered in the Open division and will not be allowed to change. Copy of current Youth or Amateur card must accompany entry. APHC rules of ownership apply. Current cards must be effective on or before **September 1** of the 2-year-old year. **NO TEMPORARY CARDS WILL BE ACCEPTED.**

XI. SPECIAL AWARD

- A. As an incentive to IPBF participants to show their horses as weanlings, yearlings and 2 year olds, \$5500 will be set aside from the proceeds of the stallion auction. \$1500 will be awarded to the owner of the horse accumulating the most points, \$1500 will be awarded to the Breeder, (owner of dam at time of breeding), and \$2500 will be awarded to the donor of the stallion services. (The horse must be shown all three (3) years).

XII. MISCELLANEOUS RULES

- A. If the bloodlines of a horse are protested, the protestor must deposit \$250 cash, money order or certified check with the Futurity Secretary within ten (10) days of the Futurity Show. Owner of said horse must make the horse in question and the nominated mare available for testing according to current APHA procedure. If the testing proves the correct parentage the protestor forfeits the deposit. If the testing proves incorrect parentage, the protestor will have the deposit refunded and all costs incurred will be billed to the owner of said horse. Horse will be disqualified and other contestant(s) moved up. Owner will be suspended from IPHC and results forwarded to APHA for further action. Futurity winnings will be held until final decision.
- B. The IPHC Board of Directors reserves the right to interpret, amend and enforce the above rules. Any decision concerning the application or interpretation of these rules by the IPHC Board of Directors shall be final. Any person participating in this Futurity including, but not limited to, owners, exhibitors, handlers and consignors shall indemnify and hold harmless the Iowa Paint Horse Club, its officers, directors and employees from and against all claims, demands, causes of actions, and expenses of every kind including attorney fees, arising out of
