PRESIDENT'S MESSAGE

Happy Spring everyone!! After such a long winter it sure is nice to see some green grass and dandelions....I never thought I would say it but it sure makes the days brighter after the winter we had!

Babies are hitting the ground and people are getting ready for the show season. The first show is right around the corner and plans are being made for the Memorial Day Show. Once again--you won't want to miss it! Great prizes, great sponsors, great food and great fun....not to mention all the great horses that will be there!! Last year our numbers were WAY up and we look forward to another good show!!

We just finished up with the Iowa Horse Fair! Our booth was once again busy with people inquiring about IPHC and APHA. We will have quite a few new faces once again this year--like I've said before, please welcome our new members with a smile and handshake! (or a hug if you are like me!) This year we had a demonstration in the parade of breeds thanks to Judy (Amundson) Miller! She worked hard on this and it was a great addition and great publicity for IPHC and APHA. Unfortunately, I was busy in the store and didn't get to see it but had several people tell me it was very nice! Thanks Judy for heading up the Horse Fair and all your hard work!

We'll see everyone at the shows and I hope you all have a great spring and successful show season!!

Happy Trails. ...

RIDE IOWA

The Iowa Paint Horse Club realizes there are many American Paint Horse owners who do not choose to exhibit their horse in the show-ring. But rather, they enjoy their American Paint Horses out in the open spaces either alone or with others. Whether we are competing in the show-ring or riding out on the trails, we all have a common bond ... the love for the American Paint Horse.

The Iowa Paint Horse Club has put together a program to recognize Paint Horse owners who enjoy the trails and open spaces along with their showing counterparts. Our new program is called "Ride Iowa." It will work like the APHA Ride America Program so that you may also be rewarded at the State level for your logged hours. We are in hopes that by offering this program we can bring together all Paint Horse owners and show the true versatility of the breed.

The rules are much the same, with only a few extra requirements, and are as follows:

1. Be a current paid member of IPHC (or IPHYC).
2. Be enrolled in APHA Ride America Program.
3. Any registered Paint Horse of any type (regular or SPB Registry) is eligible to enroll.
4. Horse/Rider Combination IS required.
5. Owner of horse, if different than rider, is NOT required to be an IPHC member for awards. Rider of horse IS required to be a current paid IPHC member.
6. Submit an official enrollment form to IPHC, along with copies of registration papers and membership cards, being sure to check the box of the category you will be competing in.
7. Submit the yearly entry fee of \$5.00 per horse/rider combination. Program runs from January 1, 2009, to November 1, 2009.
8. You may enter more than one horse/rider combination by submitting the proper forms and an additional entry fee to IPHC.
9. The exhibitor is responsible to maintain the required riding log for each horse/rider combination enrolled, and is responsible to submit a copy of the ride log to the Ride Iowa coordinator, postmarked no later than November 15, 2009.
10. Time may be recorded for any activity in which the exhibitor and horse participate in any riding or driving activity, whether alone or in a group. Practice and showing time under saddle or driving may also be included. (See Ride America Brochure for qualifying rides.)
11. All times and awards are tallied on a one horse/one rider basis and cannot be combined with other entrants, for any purpose, whether owned and/or ridden by the same exhibitor or not.
12. Earn double hours by riding in national and state parks, grasslands or historic areas as recognized by the US or Canadian National Parks service.
13. Earn double hours on Official APHA or IPHC trail rides.
14. Participants are responsible to have all logged hours turned into coordinator and recorded by November 15, 2009. (NO EXCEPTIONS. This is the exhibitor's responsibility!)
15. IPHC will use the ride log records to determine a Ride Iowa Champion.
16. Year-end recipient of Ride Iowa Champion will be recognized and receive an award at the IPHC Annual Awards Banquet.
17. This program is separate from the normal year-end awards program and not subject to the same rules.
18. Any other rules not covered here will be governed by the APHA Ride America rules.

Ride Iowa is off to a running start. Please remember to get those entries mailed in ASAP. Remember, all time spent riding or driving, even practice time, counts. All entry fees are used for the awards. This new and exciting program cannot exist without the entries so send your entries in today!!!
