Hello IPHC Members,

Another year has gone by much too fast! 2013 was a successful year for the Iowa Paint Horse Club, once again. I want to thank all our show managers and volunteers for doing a great job in keeping our shows running smoothly. The IPHYC really stepped up their efforts in 2013 with great participation, fundraising, and managing a show! It is great to see our youth learning the roles to run our club in the future.

We are looking forward to the return of our March show in 2014, along with a few changes to the show schedule throughout the summer.

We continue to see great participation in the stallion auction and futurity classes. The increased quality of stallions and mares is seen each fall at the State Show & Futurity. This is a great representation of the members in our club.

I look forward to seeing you all at our IPHC events in 2014! Volunteers are always appreciated in any capacity. Remember you do not have to be a board member to get involved!

*IPHC President
Lonnie McLain*

2013 Helen McLain Award Recipient

Gary was a long-time IPHC member and valued Director for many years. He passed away September 27, 2012 and was awarded the Helen McLain Award posthumously at the 2013 awards banquet. His knowledge, well thought-out decisions and smile are missed.

The Memorial Day Classic has gone to the dogs!

Pictured from L-R are the winners of the three heats of dog races and their owners: Laurie Strong, Sue Bauman, Jessica Gryskiewicz and handler Christie Larson. The overall champion was the dog owned by Jessica Gryskiewicz, with help of handler Christie Larson.

CheXN CHECKERS

Thank you everyone that made 2013 a great year for Loper and I. We couldn't have done it without our family and friends, including a great shoer, coach and vet that saved Loper in December of 2012.

Thank you Joel for your love and support! 2013 will never be forgotten.
