

WELCOME!

Welcome to the 2015 Iowa Paint Breeders Futurity Stallion Auction! We are excited to once again have a very nice selection of stallions to offer for your consideration. Even with the uncertain times that have fallen upon the horses industry, the Iowa Paint Breeders Futurity continues to remain strong – and we thank each and every one of you for your continued participation and support.

This catalog is complete with stallion contracts that were received right before going to print. Any contracts received after going to print will be available on a supplement sheet the day of the auction. Stallion contracts will be accepted for the supplement sheet until noon on January 14, 2015. Any contracts received after that time and date will not be able to be included in the 2015 auction. Please watch the website – www.iowapainthorseclub.com – for a list of stallions that will be on the supplement sheet.

We encourage you to read and follow the rules, especially the forms and fees due and the deadlines for those forms and fees. The committee adheres strictly to these rules. If you ever have a question about any of the rules or concerning the auction or futurity, please feel free to contact any of the committee members. We are here to assist you.

The information in this catalog is printed as it was provided to the committee. Any inadvertent errors or omissions will be announced the day of the auction. Please be sure to research the stallions you are interested in carefully.

Thank you to the stallion owners who donate their stallion services. Huge thanks also to the mare owners who purchase these stallion services.

Auction day is always one of the biggest highlights of the year! We hope you enjoy the day, enjoy visiting with old friends, making new friends, and planning and hoping for that foal of your dreams!

Thank you for choosing the Iowa Paint Breeders Futurity – and enjoy the auction!

I. FUTURITY COMMITTEE

- A. The Futurity Committee shall consist of at least three (3) members, one of which shall serve as the secretary. The IPHC President will appoint all Breeder's Futurity committee members, but the appointment(s) must be approved by the IPHC Board of Directors.
- B. The Futurity Secretary will maintain a list of eligible horses, along with a record of payments of nomination and sustaining fees and will be accountable to the Iowa Paint Horse Club (IPHC) Board of Directors.
- C. The Iowa Paint Horse Club Treasurer and/or the Iowa Paint Breeder's Futurity Treasurer will maintain financial records, an accounting of Futurity income, expenses, and disbursements and will be accountable to the Iowa Paint Horse Club (IPHC) Board of Directors.
- D. The Futurity Committee reserves the right to make decisions on the requests for reclassifications, substitutions, and/or refunds. In the case of an unusual request or circumstance, the Futurity Committee will present the request to the IPHC Board for their consideration, and their decision will be final.

II. RESPONSIBILITIES OF THE FUTURITY PARTICIPANTS

- A. It is the responsibility of all IPBF participants to know and abide by all the rules as published.
- B. Failure to meet Futurity responsibilities (membership, payment schedule, etc.) will disqualify nominated horse and all payments will be forfeited.

III. GENERAL RULES

- A. All futurity eligible horses must be registered with the APHA, either as regular or solid paint bred. Both regular registered and solid paint bred futurity-eligible horses will be shown together in the same class. ORIGINAL REGISTRATION PAPERS must be presented and matched to the horse before showing.
- B. There can be no substitution for any horse entered in the Futurity. In the case of withdrawal from competition, disqualification, or death, all fees paid are forfeited and shall remain in the Futurity fund to be distributed as purse.
- C. Owner, exhibitor and handler of Futurity entry must be current IPHC members.

Exhibitor must be the same under all judges. All IPHC rules will apply.

- D. The exhibitor or handler of each futurity entry, unless he or she is the registered owner of said entry or member of the immediate family, as defined by the APHA, must have been an exhibitor in the Iowa Paint Horse Club-approved shows (excluding the futurity show) a minimum of three (3) times during the current year. Refer to APHA rules of ownership.
- E. In the event that a handler is permitted in the class, these handlers must meet all APHA and IPHC rules for exhibitors in that class.
- F. Each Futurity entry will be charged an office fee the day of the show. It is the responsibility of the owner or exhibitor of each entry to complete the entry, fill in the exhibitor's name, sign the form and pay the office fee and any other monies owed for that entry.
All weanlings must be checked in and entries paid before the posted deadline. Other age divisions must have entries paid before entering their class.
It is also the responsibility of the owner and exhibitor to verify current membership and qualification of the exhibitor or any handlers. (Refer to III C-E).
- G. Any and all premiums earned will be mailed to owners as soon as administratively possible, provided all rules and responsibilities have been met.
- H. Social Security number of the person receiving premium must be presented to Futurity Secretary and premium earned will be reported to IRS in accordance with current laws.
- I. All entries are subject to APHA rules. Any violations of APHA rules will result in disqualification and forfeiture of any monies earned. Any entry may be subject to drug testing. The exhibitor, owner or representative of the owner must deliver the horse to the drug testing station immediately after exiting the arena. Owners or exhibitors found in violation of APHA rules may automatically be subject to testing at following futurities.
- J. If the class is required to show two goes, the number of paybacks will be determined by the number of entries judged in the first go. Horse must be shown by the same exhibitor in all goes entered. Entry is NOT required to show in both goes.
- K. All specific deadlines set within these rules will be enforced, **NO EXCEPTIONS**.
- L. All provisions of the Stallion Service Agreement are binding under the IPBF rules.
- M. Participants agree, based upon the signature(s) provided on Stallion Service Agreements,

- B. The minimum bid requirement at Auction, per stallion service, will be \$175 or ½ of the advertised fee plus \$25, whichever is greater. Payment is due day of Auction.
- C. Phone-in bids accepted. Prior arrangements must be made by contacting an IPBF committee member. The IPHC Board of Directors and/or the IPBF Committee are not responsible for technical communication issues.

- E. Stallion owners whose donated services are not sold either at auction or by way of late purchases are not eligible for any mare nominations.
- F. A Futurity packet containing all forms, rules, and other materials for continuance in the Futurity will be available at the Futurity Office the day of the Auction. It is the responsibility of each service donor and/or service purchaser to acquire these forms. - B. In case of a Void purchase check, stallion owner will be notified and given 30 days within which to purchase the fee at a minimum of \$175 or ½ of advertised stud fee PLUS \$25, whichever is greater, to stay eligible in the Futurity.

- C. Any and all insufficient funds checks, checks from closed accounts or any other reason a check cannot be paid to IPBF will be automatically re-deposited (if applies). If returned a second time, the purchase, entry, nomination, sustaining payment, membership, etc. will become null and void (refer to II-B). All bank charges will apply and will be paid by owner.

- D. In cases of embryo transfer, copies of the registration papers for both the Genetic Mare and Recipient Mare, if registered, are required. A photo is only required of Recipient Mare.

IX. USE OF SERVICE, RETURN PRIVILEGES, RECLASSIFICATIONS, REFUNDS

- A. Service must be used in the year purchased or donated.
- B. Any request for consideration of reclassification, stallion refund or mare substitution must be made in writing, stating mare's name and stallion/mare name, reason for request and include a written veterinary statement to be sent to the Futurity Secretary, postmarked on or before July 1st of foaling year.
- C. Nominated mares that did not become pregnant, or produce a live, viable foal will be reclassified and allowed a return service only one time and only the year after purchase. Monies from this service fee will also be moved with the resulting foal to the year of eligibility.
- D. Nominated mares producing a lethal white foal as verified by written veterinary statement will be reclassified or owner may request a substitution of a different mare to be bred to the same stallion to be reclassified. Monies from this service fee will be moved with the resulting foal to the year of eligibility.
- E. In the event of the death of a stallion, or should the stallion be sold or moved from the location stated on the contract, a written statement must be sent to the Futurity Secretary, postmarked on or before July 1st of the foaling year of eligibility.

- G. A \$25 service fee will be retained on all refunds.

X. ON FARM INSPECTION PROCESS

- A. On-site inspections may be conducted by a Futurity Committee appointed representative (herein referred to as IPBF Representative) to verify information submitted to the Futurity Committee on any or all Futurity Forms.
- B. On-site inspections will be conducted when the futurity committee receives a minimum of five written complaints, signed by separate non-related individuals, explaining an alleged breach of IPBF rules. Written complaints can be forwarded to any member of the futurity committee.
- C. Participants selected for an on-site inspection will be notified 24 hours prior to inspection.

Participants are required to produce animal(s) of interest or disclose the physical location of said animal(s) to IPBF Representative with 48 hours of inspection notice.

- D. All findings of the on-site inspection process will be forwarded to IPBF committee and the IPHC Board of Directors.
- E. Any refusal of an on-site visit, inability to produce animal(s) or location of said animal(s) within the specified timeframe, or an adverse finding of the on-site inspection process, may result in the same ramifications as those found in violation of IPBF Rules (Refer to XV-B).
- F. Expenses incurred for on-site visits will be deducted from the corresponding weanling futurity monies.

XI. WEANLING FUTURITY

- A. Refer to all General Futurity Rules (Section III).
- B. Foals resulting from services purchased through this Futurity Auction, by way of late purchases or approved reclassifications must be identified on the form provided in the Futurity packet and sent to the futurity secretary, postmarked on or before **July 1** of the weanling year.
- C. In the case of embryo transfers, only one foal resulting from the nominated mare and the purchased stallion will be eligible for the Iowa Paint Breeder's Futurity.
- D. To make the foal eligible for the yearling and two year old Futurities, there will be a nomination fee of **\$25** payable by **July 1** of the weanling year. Payment made after July 1 of weanling year will DOUBLE until April 1 of yearling year, when it will become TRIPLE. In case foal is sold, eligibility remains with the horse.
- E. A one-time non-refundable fee of \$155 payable on or before July 1 of the weanling year will make the foal paid up and eligible for the weanling, yearling and two year old futurity classes. Paying this fee after the weanling year will result in the addition of all late fees to this one-time fee. If this one-time fee is paid, each of the respective forms for the foal's weanling, yearling and two year old classes must still be sent by the stated deadlines.
- F. Late foal identifications will be accepted with a \$50 late fee if postmarked on or before **July 31**. Foal ID's received after July 31 and postmarked on or before September 1 will be accepted with a \$300 additional fee, plus all corresponding late fees (\$50 late fee does not include

nomination fee). Foals not identified by **September 1** will not be allowed to show as weanlings.

- G. Foal ID's received after September 1 of the year in which they were born will be accepted with a \$375 identification fee PLUS relevant fees as outlined in the yearling or two year old futurity rules XII and XIII respectively. Refer to VIII for nomination fees applicable. Please note, this would not make this foal eligible to show at the IPBF as a weanling.
- H. Weanling entries will be split by age and sex:
 - In the case of 45 or more paid entries per sex: three (3) classes - early, intermediate and late (any foals already gelded will go into their corresponding stallion class).
 - In the case of 44 or less paid entries per sex: two (2) classes - early and late.

Age splits will be made by the Futurity committee at designated times the weekend of the Iowa Paint Horse Club Futurity Show. In case of a mid-point falling on a date which is more than one foal's birth date, all foals born on that date will go into the same class to put as near equal number as possible into each class. In the case of an odd number, the early class will be the larger.

- I. 20% of the gross receipts pertaining to the weanling division will be held back for their ongoing yearling and two-year-old Futurities. The balance of the gross receipts of the weanling division, less expenses, will be divided proportionately according to how many entries show in each of the weanling classes.
- J. Each class will pay back one (1) place for each two (2) entries shown, not to exceed payment of 16 places. Ties will not be broken; premiums will be added and split.

XII. YEARLING FUTURITY

- A. Refer to all General Futurity Rules (Section III).
- B. To keep the yearling eligible for the 2-year-old Futurity, there will be a sustaining fee of \$30 due and postmarked on or before **April 1** of the yearling year. Payment of yearling sustaining fee made after April 1 until August 1 DOUBLES to \$60. Payment of yearling sustaining fee made after August 1 until September 1 is \$300. No late yearling entries will be accepted after **September 1** of the yearling year. A COPY OF REGISTRATION PAPERS MUST ACCOMPANY SUSTAINING FEE.
- C. Reinstatement of a yearling eligible by birth for the Breeder's Futurity, on which the foal ID and/or weanling nominating fee has not been paid, may be obtained by paying the \$375 foal ID fee PLUS \$50 late fee PLUS (if applicable)

the yearling sustaining fee as per postmark deadlines set up above in XII-B. Fees accepted after the postmarked date of September 1 will not be allowed to show the yearling year.

- D. Yearlings may go into the Halter Futurity or Longe Line Futurity, but not both, and this must be specified to the Futurity Secretary, and postmarked on or before September 1. Any yearlings paid up but not specified as Longe Line or Halter by September 1 will automatically be entered into the Halter Futurity and will not be allowed to change.
- E. For the Yearling Futurity, 60% of the accumulated purse plus 60% of the total accumulated interest as of September 1 will be pro-rated into 3 yearling halter classes: fillies, geldings and stallions and one longe line class (solid paint bred included), according to how many entries show in each class. Each class will pay back one (1) place for each two (2) entries up to a maximum of 16 paybacks per class. Ties will not be broken; premiums will be added and split.

XIII. TWO YEAR OLD WESTERN PLEASURE

- A. Refer to all General Futurity Rules (Section III).
- B. Providing previous eligibility and sustaining fees have been paid and regardless of whether or not the horse was shown in either the weanling or yearling Futurities, a maintenance fee of \$100 will be due and postmarked on or before April 1 of the two year old year to make the horse eligible for the Western Pleasure Futurity. Fees postmarked on or between April 2 and August 1 have a maintenance fee which DOUBLES to \$200. Fees postmarked on or between August 2 and September 1 have a maintenance fee of \$300. In case of transfer, eligibility remains with the horse. Eligible breeding stocks are included. A COPY OF REGISTRATION PAPERS MUST ACCOMPANY SUSTAINING FEE.
- C. Reinstatement of 2-year-old eligible by birth for the Breeder's Futurity, on which the foal ID fee and/or weanling nominating fee and/or yearling sustaining fee was not paid, may be obtained by paying the \$375 foal ID fee PLUS \$50 late fee PLUS (if applicable) the \$90 yearling sustaining fee PLUS (if applicable) the 2 year old sustaining fee as per postmark deadlines set up above in XIII- B.
- D. Fees received after the postmarked date of September 1 will not be accepted.
- E. Current APHA rules for 2-year-olds will apply for the Western Pleasure Futurity.

- F. Purse will consist of the remaining 40% of the previously collected purse, plus interest, all of the 2-year-old sustaining fees, any reinstatement fees, any unclaimed premiums, plus any miscellaneous funds less expenses and will be pro-rated by the number of entries that show in each division – Open and Non-Pro. Each class will pay back one (1) place for each two (2) entries shown, not to exceed payment of 16 places. Ties will not be broken; premiums will be added and split equally. "Day Money" of 15% of the purse will be paid on 5 places per judge.
- G. Non-Pro 2-Year-Old Western Pleasure entries must specify which division to the Futurity Secretary and postmarked on or before September 1 of the 2-year-old year. Horses not specified will be automatically entered in the Open division and will not be allowed to change. Copy of current Youth or Amateur card must accompany entry. APHA rules of ownership apply. Current cards must be effective on or before September 1 of the 2-year-old year. **NO TEMPORARY CARDS WILL BE ACCEPTED.**

XIV. SPECIAL AWARD

- A. As an incentive to IPBF participants to show their horses as weanlings, yearlings and 2 year olds, \$3000 will be set aside from the proceeds of the stallion auction. \$1000 will be awarded to the owner of the horse accumulating the most points, \$1000 will be awarded to the Breeder, (owner of dam at time of breeding), and \$1000 will be awarded to the donor of the stallion services. (The horse must be shown all three (3) years).

XV. MISCELLANEOUS RULES

- A. If the bloodlines of a horse are protested, the protestor must deposit \$250 cash, money order or certified check with the Futurity Secretary within ten (10) days of the Futurity Show. Owner of said horse must make the horse in question and the nominated mare available for testing according to current APHA procedure. If the testing proves the correct parentage the protestor forfeits the deposit. If the testing proves incorrect parentage, the protestor will have the deposit refunded and all costs incurred will be billed to the owner of said horse. Horse will be disqualified and other contestant(s) moved up. Owner will be suspended from IPHC and results forwarded to APHA for further action. Futurity winnings will be held until final decision.
- B. Those found in violation of IPBF Rules could face the following:
- APHA notification of IPBF findings for further investigation.
